The Secretary of State for War has been pleased to approve of Second-Class Passages being for the future provided on board Coastwise Steamers for such Military Invalids as may, in consequence of the state of their health or of the inclemency of the weather, be considered by the Medical Officers to require the protection and comfort which that class of accommodation affords.

Whenever a Commanding Officer in the exercise of his discretion in such a case orders a Second-Class Passage to be provided, he will obtain from the Medical Officer a certificate showing the necessity for such provision. The certificate should be annexed to the Pay List as a voucher in support of the increased charge.

HOME AND FOREIGN (EXCLUSIVE OF INDIA).

57—Gen. No. 3023. *War Office, 30th December*, 1865.

The Secretary of State for War having had under his consideration the Regulations applicable to the Store Accounts of the Royal Engineer Department, has decided, with reference to Article 4, Section XV, of the Royal Engineer Code, that the Store Ledgers shall embrace all stores, tools, materials and plant which have been supplied or procured for the service of the Royal Engineer Department, as well as all old materials which have accumulated during the execution of the works.

These ledgers, made up to the 31st March in each year, will, during the ensuing month of April, be examined on the spot by an Engineer Officer and a Military Store Officer or Barrack Master, and a balance sheet, signed by them (as per annexed Form) showing the whole of the stores, tools, materials and plant on hand, will as soon after as possible, be transmitted to the Director of Works.

In these balance sheets the serviceable articles will be distinguished from the repairable and unserviceable ones, and the estimated value of each description of article will be shown, as well as the proposed mode of appropriation or disposal of such articles —whether to be retained for contemplated works—to be sold by auction—to be handed over as fuel for the Troops—or to be transmitted to the Principal Superintendent of Stores, Royal Arsenal, Woolwich.

Instructions will be sent from this Office as to the final disposal of the unserviceable articles, and of those not likely to be required at the station.

Separate balance sheets are not required for barracks, fortifications and civil buildings; but a separate sheet will be required for works in progress under the Loan for Defences.

CIRCULAR MEMORANDUM. Gen. No. 363.

Addressed to Officers Commanding Cavalry Regiments and Mounted Corps.

Saddlery—1 (1865). *Horse Guards, S. W., 6th January*, 1866.

It having been represented that the proper course to be pursued with regard to the fitting of the saddlery is not generally understood in Cavalry Regiments, His Royal Highness the Field Marshal Commanding in Chief, with a view to ensure a correct and uniform system, directs that the Riding Master superintend (under the supervision and subject to the direction of the Commanding Officer of the Regiment) the performance of that duty according to the following instructions:—

The saddle-trees are in three sizes, and should be fitted without pannels, changing them from horse to horse as may be found necessary, and any alteration required can be done by the saddle-tree makers. Over-stuffing of the pannels is a common practice, which causes the saddle to rock about and chafe the horse's back. By ordinary attention to the fitting of the saddles, and by the pannels being moderately stuffed, the saddles will have a steady firm bearing on the horses' backs, and sore backs will be seldom known.

Although this order is intended to convey the instruction that Riding Masters are primarily responsible (subject to the control of the Commanding Officer) for the proper fitting of the saddles, it by no means follow that Officers commanding Troops are absolved from responsibility in this respect.

Firstly, they are responsible that the directions of the Riding Master (under the control of the Commanding Officer) are duly carried out in their Troops, when at Head Quarters; and,

Secondly, they should have such a thorough knowledge of the subject as will enable them, when detached, to carry out the same system as at Head Quarters.

By Command. WILLIAM PAULET, *Adj. Gen.*

GENERAL ORDER. No. 878.

Musketry—1 (1866). *Horse Guards, S. W., 4th January*, 1866.

The Field Marshal Commanding in Chief desires that the following be adopted as the qualifications to pass from one class to another in shooting, instead of those prescribed in paragraph 40, page 63, of the Musketry Regulations, viz.:—

	Number of Points to be obtained with the	
	Enfield Rifle, 577 bore and Cavalry Rifle Carbine of all patterns.	Whitworth Rifle.
In 1st period, or 3rd Class, to pass into 2nd Class...	30	30
In 2nd Class, to pass into the 1st Class ...	30	40
In the 1st Class, to be eligible for Marksman ...	20	30

This change will come into operation with the yearly course for 1866, and the effect of it should be to greatly reduce the number of.—if not entirely to prevent any man not having defective vision from remaining in,—the Third Class,—and thus do away with the necessity of further instruction during the winter.

By Command of His Royal Highness
The Field Marshal Commanding in Chief.

GENERAL ORDER. No. 545.

Horse Guards, S.W., 17th January, 1866.

At a General Court Martial held in Dublin on the 17th October, 1865, and continued by adjournments to the 23rd of the same month, Quarter Master Malcolm Keir, of the Military Train, was arraigned upon the under-mentioned charges, viz. :—

First Charge.—"For scandalous conduct, unbecoming the character of an Officer and "gentleman, in obtaining, when Quarter Master of the Military Train stationed at the "Curragh Camp, in the years 1863, 1864 and 1865, pecuniary gratuities in several "instances from Messrs. William and Benjamin Wright, of Clonmel, contractors for the "time then being, or agents for Messrs. James O'Reilly & Co., the contractors for the "time then being to supply the Military Train with forage, such instances being as "follows :—

1st Instance.—"On or about the 1st June, 1863, from Mr. William Wright or Mr. "Benjamin Wright, members of the said firm, the sum of twenty pounds (£20)."

2nd Instance.—"On or about the 9th August, 1863, from Mr. William Wright or Mr. "Benjamin Wright, members of the said firm, the sum of twenty pounds (£20)."

3rd Instance.—"On or about the 8th October, 1863, from Mr. William Wright or Mr. "Benjamin Wright, members of the said firm, the sum of ten pounds (£10)."

4th Instance.—"On or about the 5th July, 1864, from Mr. William Wright or Mr. "Benjamin Wright, members of the said firm, the sum of forty pounds (£40)."

5th Instance.—"On or about the 12th December, 1864, from Mr. William Wright or "Mr. Benjamin Wright, members of the said firm, the sum of ten pounds (£10)."

6th Instance.—"On or about the 18th January, 1865, from Mr. William Wright or "Mr. Benjamin Wright, members of the said firm, the sum of five pounds (£5)."

7th Instance.—"On or about the 6th February, 1865, from Mr. William Wright or "Mr. Benjamin Wright, members of the said firm, the sum of five pounds (£5)."

8th Instance.—"On or about the 9th March, 1865, from Mr. William Wright or Mr. "Benjamin Wright, members of the said firm, the sum of five pounds (£5)."

9th Instance.—"On or about the 3rd April, 1865, from Mr. William Wright or Mr. "Benjamin Wright, members of the said firm, the sum of seven pounds (£7)."

10th Instance.—"On or about the 18th May, 1865, from Mr. William Wright or Mr. "Benjamin Wright, members of the said firm, the sum of three pounds (£3)."

Second Charge.—"For scandalous conduct unbecoming the character of an Officer "and gentleman, in endeavouring to obtain at Newbridge, when Quarter Master of the "Military Train, on or about the 4th July, 1865, from Messrs. William and Benjamin "Wright, contractors, or agents for contractors, as mentioned in the First Charge, a "loan of twenty pounds (£20), promising that he (the said Quarter Master Keir) would "be useful to them (the said Messrs. Wright) or to that effect."

Upon which charges the Court came to the following decision :—

"The Court having maturely weighed and considered the evidence in support of the "prosecution, together with what the prisoner has said in his defence, are of opinion, "that he, the prisoner Quarter Master Malcolm Keir, of the Military Train, is, with "regard to the *First Charge*, guilty of all the Instances."

"With regard to the Secohd Charge,– that he, the prisoner, Quarter Master Malcolm "Keir, is guilty."

"The Court having found the prisoner Guilty of both the crimes laid to his charge, "the same being in breach of the Articles of War, do by virtue thereof sentence him, "the prisoner Quarter Master Malcolm Keir of the Military Train, to be Cashiered."

Her Majesty has been pleased to approve and confirm the finding and sentence of the Court.

The Field Marshal Commanding in Chief trusts that the example which has been made in this case will not fail to have the effect of putting an end to the pernicious system of receiving money as a bonus from the contractors for forage or any other article supplied to her Majesty's troops; and which there is too much reason to suppose has prevailed to a considerable extent.

His Royal Highness directs that the foregoing charges preferred against Quarter Master Malcolm Keir, of the Military Train, together with the Finding and Sentence of the Court, and her Majesty's confirmation thereof, be entered in the General Order Book, and read at the head of every Regiment in her Majesty's Service.

By Order of His Royal Highness
THE FIELD MARSHAL COMMANDING IN CHIEF.

DIRECTIONS.

ALL CLAIMANTS must state the Regimental Number borne by the Soldier.

In all PERSONAL applications at Chelsea Hospital by DISCHARGED SOLDIERS, they must produce their Parchment Certificate of Service and Regimental Account Book, or Parchment Certificate of Pension.

PENSIONERS RESIDING IN THE COUNTRY should apply through the Staff Officer of Pensioners for the District in which they respectively reside.

Claimants to the shares of DECEASED Soldiers, and all Claimants, Officers or Soldiers *residing beyond 5 miles* from Chelsea Hospital, must apply *by letter*, addressed to "The Secretary of Chelsea Hospital," when the necessary Forms will be sent.

SOLDIERS STILL SERVING must apply through the Officer commanding the Regiment or Depôt.

CIRCULAR, No. 939.

(EXCLUSIVE OF INDIA.)

VICTORIA R.

WHEREAS Our Secretary of State for War has submitted to Us a proposal for the re-organization of the Barrack Department of Our Army with a view to increase the efficiency of the Service, and to improve the position of those employed therein; and whereas We are pleased to approve of the same, it is Our will and pleasure that Our Warrant dated the seventh day of February, One thousand eight hundred and sixty, in the twenty-third year of Our reign, relating to the said Department, shall be cancelled, and the following be established in lieu thereof.

2. The duties of the Barrack Department shall be directed and superintended by the Superintendent of the Barrack Department acting under the orders of Our Secretary of State for War.

3. The members of the Barrack Department shall be civil servants of the Crown, and shall be liable to be employed at any station at home or abroad, and to be ordered from one station to another, and to be removed from the Department at the pleasure of Our Secretary of State for War.

4. The appointment of Barrack Master shall be conferred as a general rule upon Officers of Our Army, of not less than seven years' service, and not over 45 years of age; but clerks of the Department may be selected for appointment as Barrack Masters.

5. The appointment of Barrack Clerk shall be conferred upon retired officers of Our Army, or upon retired non-commissioned Officers who are Permanent Pensioners, and not under the rank of Serjeant, or upon Barrack Serjeants by promotion.

6. The classification, relative rank, rates of pay, and allowances of Barrack Masters and Barrack Clerks shall be as detailed in the annexed Schedule A.

7. Barrack Masters who shall continue to be employed under previous warrants shall retain the relative rank, pay and allowances they now have.

8. The relative rank laid down shall confer no military authority, and shall not entitle Barrack Masters to sit as Presidents of Military Boards, or of Courts of Inquiry.

9. All new appointments shall be made to the lower class, and Barrack Masters shall not be eligible for promotion from the 2nd to the 1st class until after two years' actual service in the 2nd class.

10. The primary ground for promotion shall be personal merit, as evinced by zeal, ability, and general good conduct, but due weight shall be given to the claims of long and faithful service.

CIRCULAR MEMORANDUM. Gen. No. 364.

Addressed to the Army at Home and Abroad and Recruiting Districts.

Recruiting—1 (1866). *Horse Guards, S.W., 19th January*, 1866.

With a view to obviate, for the future, the inconvenience arising from discrepancies, which frequently occur in the ages of soldiers, as shown in the schedule of re-engagement and parchment certificate of discharge, His Royal Highness the Field Marshal Commanding in Chief desires that Officers commanding Regiments, Corps and Depôt Battalions, Inspecting Field Officers of Recruiting Districts, and Officers employed on the Recruiting Service, will be especially careful, prior to discharged men being taken before the magistrate for re-engagement, that their parchment certificates are examined, in order to ascertain and insert in the re-engagement schedule the then correct age of the man, as shall be proved by the parchment certificate.

His Royal Highness will hold the Officers above alluded to responsible for seeing that this course is followed in each case.

By Command of His Royal Highness
The Field Marshal Commanding in Chief.

WILLIAM PAULET, *Adj. Gen.*

CIRCULAR MEMORANDUM. Gen. No. 365.

Addressed to the Army at Home and Abroad.

Paymasters—1 (1866). *Horse Guards, S.W., 10th February*, 1866.

The Secretary of State for War having represented that the practice of allowing a Quarter Master to perform the duties of a Paymaster, during the illness or absence of the latter Officer, is objectionable,—His Royal Highness the Field Marshal Commanding in Chief desires that the duties of these two Officers should not be combined in one person, whenever it can possibly be avoided.

By Command WILLIAM PAULET, *Adj. Gen.*

GENERAL ORDER. No. 879.

Musketry—2 (1866). *Horse Guards, S.W., 13th January*, 1866.

His Royal Highness the Field Marshal Commanding in Chief has directed the accompanying return,—showing the Corps serving in the United Kingdom, the Channel Islands and North America, that have completed the annual musketry course for 1865-6, with the "Figure of Merit,"—the per centage of men in 1st and 3rd classes in shooting,—in the 1st class in judging distance practice,—and of those "not exercised,"—and the results of the rapid file firing and skirmishing practices,—to be published in the General Orders of the Army.

The rapid file firing is not so good as it ought to be, which leads to the inference that the orders on the subject, and the object of the practice, are not properly explained to the men.

His Royal Highness therefore desires that the attention of the Officers of the Army be called to the instructions at paragraphs 62 and 63, pages 66 and 67, of the Musketry Regulations, and to the necessity of the men being well instructed in the platoon exercise, before they are handed over to the Musketry Instructor for the annual course.

By Command of His Royal Highness
The Field Marshal Commanding in Chief.

WILLIAM PAULET, *Adj. Gen*

CHARLES HAY, *Insp. Gen. of Musk.*

GENERAL ORDER. No. 880.

Musketry—3 (1866). *Horse Guards, S. W., 6th February*, 1866.

His Royal Highness the Field Marshal Commanding in Chief having had under his consideration the course of rifle carbine training for the cavalry soldier, directs that the following regulations on this subject be in future observed.

Ammunition Allowed.

1. The quantity of ammunition to be drawn for rifle carbine instruction is as follows, viz.:—

For the Recruit.
- 70 rounds ball cartridge.
- 20 rounds blank cartridge.
- 120 percussion caps, including 20 for snapping practice.
  - To be applied for as wanted, in such quantities as may be justified by the number of recruits actually present, or expected to join soon.

For the Drilled Soldier annually.
- 30 rounds ball cartridge.
- 50 rounds blank cartridge.
- 88 percussion caps.
  - To be applied for in sufficient time to ensure its receipt prior to the date on which the practice is to commence.

Recruits.

2. The cavalry recruit is to be instructed in the use of the rifle carbine in all respects as the infantry recruit, omitting the platoon practices.

GENERAL ORDER, No. 880—*continued.*

Drilled Soldier.

3. The "course" of carbine instruction through which the *drilled* cavalry soldier is to be exercised annually is to consist of the following drills and practices:—

	Time to be occupied each day.
Preliminary Drills.	
6 lessons in theoretical instruction, two per day, 7th and 8th to be omitted	½ hour.
3 aiming drills—	
100 and 200 yards first day	½ hour.
300 and 400 yards second day	
500 and 600 yards third day	
3 position drills, 1 daily	½ hour.
Total, 3 days—1½ hours each day.	
Practice.	
1st period of target practice, 20 rounds to 300 yards	2 days.
Mounted individual firing at 200 yards, 10 rounds, at a second class target	1 day.
Total number of days, of a maximum of 2 hours, to be occupied in the above	6 days.

Period of the year for Instruction.

4. The annual course is to commence on the 1st of September in each year (the non-commissioned officers being *previously* trained to assist in the instruction of the men of their respective troops), and to be continued by one complete troop, or two half troops at a time, until the whole regiment shall have gone through the course, which can be accomplished in eight weeks, viz., a week per troop. The officers to be present with their troops to superintend, and see that the regulations are strictly complied with. The period of the day at which the instruction is to take place, is to be so regulated as to interfere as little as possible with the stable duties.

Instruction to be given out of the "course."

5. In order that the cavalry soldier may acquire a knowledge of distances, and be instructed in the proper mode of cleaning and keeping in order his carbine and its ammunition, each troop is to be exercised for an hour and a half once a month (except during the months of September, October and November, when the annual course is proceeding), in the following manner, under the superintendence of its officers, viz.:—

1st time.—To be catechized in the 1st and 3rd lessons of the cleaning arms instruction (omitting the names of the different parts of the carbine), and to execute one judging distance drill to 300 yards.

2nd time.—To be catechized in the 4th lesson of cleaning arms, and to execute one judging distance drill to 600 yards.

3rd time.— To be catechized in the 7th and 8th lessons of cleaning arms, and to execute one judging distance drill to 600 yards.

4th time.—To execute 1st period of judging distance practice to 300 yards.

5th time.—To execute 2nd period of judging distance practice by classes to 600 yards.

6th time.—To execute 3rd period of judging distance practice by classes to 900 yards.

At other times.—To execute judging distance by classes, according to the final classification at the end of third period.

Drills and Practices to be recorded in Musketry Drill and Practice Return, &c.

6. The drills and practices performed by each soldier during the year are to be recorded in the Troop Musketry Drill and Practice Return, W. O. Form, No. 922, which is to be dated from 1st January to the date on which the annual musketry practice return is prepared. The points obtained in the mounted practice,—which are to be recorded in a target practice register—are to be entered against each man's name in the musketry drill and practice return, in the column headed "*Skirmishing.*" This return, with the registers of target and judging distance practices, are to be forthcoming for the examination of the Inspector of Musketry.

When Practice may be omitted.

7. When the rifle range is too far from quarters, application to omit practice is to be made to the Adjutant General, but the preliminary drills are under no circumstances to be omitted.

8. With a view to stimulate individual exertion in the use of the rifle carbine, money prizes of the value of 25*s.* each, at the rate of one for every ten competitors, but not to exceed one per Troop exercised, will be competed for by all men who obtain 40 points and upwards in the first period. Such men to fire 10 rounds standing at 400 yards, at a second class target. The prizes to be awarded to those men who obtain the highest score in this practice, irrespective of the Troop to which they belong. Ammunition for this competitive practice will be authorized on application.

11. The names of the competitors to be shown on the 2nd page of the Annual Return, with their performances in the 1st period, and at 400 yards, and in the three periods of judging distance practice.

12. No man is to receive a reward who is not in the 1st class in judging distance practice, and who does not possess a knowledge of the theoretical and cleaning arms instructions, which is to be ascertained and certified by an Inspector of Musketry.

14. The musketry regulations are to be strictly adhered to in conducting the course of training herein detailed, and every officer is to supply himself with the same, and with a copy of this order.

15. The carbine instruction of the cavalry being thus reduced to a minimum, commanding officers of regiments will be held responsible for its being always executed annually, except at stations where range for target practice is not available, as provided for in par. 7; and in order that the duty may be efficiently performed, without further occupying the time of the regimental Adjutant (who has been represented to the Field Marshal Commanding in Chief as otherwise fully employed,) the Secretary of State for War, on his Royal Highness's recommendation, has approved, as a provisional arrangement, of an allowance of 2*s.* 6*d* a day, for three months in the year, being granted, in each Regiment of Cavalry armed with rifled carbines, to an Officer for performing the duties of Musketry Instructor,—who, in consideration of this allowance, will be required to conduct the rifle training of the recruits, as well as the instruction ordered by par. 5, to be carried on at other times of the year than when the annual course is proceeding.

16. Care must be taken that Officers who have qualified at the Schools of Musketry are always available for this duty.
